### ABOUT US

The Hedgesville Lions Club uses 100% of the net proceeds earned from public fundraising projects to aid and support our communities, both local and worldwide. Lions Clubs International is well known for their humanitarian and disaster work. We are proud to support that work and be of service in that way. .

It was a request from Helen Keller, in 1925 that resulted in Lions Clubs fight against blindness. Locally, we arrange professional eye exams and provide prescription eyeglasses to those who need that help. Lions Clubs have joined the fight against Diabetes through research and awareness. We give to a local food pantry, Back Pack, AARP Blizzard Boxes, Leader and Pilot Dog Programs and more. In addition, we **RECYCLE PRESCRIPTION EYEGLASSES.**
