

WWGA Board Meeting Minutes

September 16, 2025

1. The meeting started at 2:00 pm. Board members in attendance: Renee Gibb, Sheryl Dolin, Becky Valasek, Mary Lawarence Melvin, Sue Bowman and Jen Adams. Sally Johnston and Laura Word were also in attendance.

2. This was a special meeting to have some background information on the handicap motion at the last board meeting and the opportunity for additional discussion.

- * There was a motion to rescind the decision last week to remove the handicap cap for Mountain View for the Member/Member Tournament. Board members reviewed the recommendation approved by the WWGA Board in 2021 after the handicap system was updated, statistical data, and USGA recommendations.

- * Unanimous agreement that the goal is to be fair to all players.

- * Voted to rescind the motion/decision to not cap MV handicap 5-1.

- * Max handicap for MV will remain 39.

- * Member/Member Tournament items

- * Two drink tickets per person (wine, beer (domestic/craft), seltzer, Gatorade, soda). No cocktails.

- * 50/50 will be run as per policy.

- * No max score for tournament players.

- * It was noted that the board voted for Renee Gibb to remain on the board for one year (not necessarily as President). The 2026 WWGA Board will decide which board members will serve in which positions.

3. Next Meeting: TBD by the 2026 WWGA Board

4. Meeting Adjourned at 3:45 pm.
