## **Announcing: The 3rd Annual “Recovery Village” Regional Golf Tournament, Monday, June 9th, 2025 at the THE WOODS GOLF COURSE**

### **Hosted By: Semper Liberi and The Woods Golf Associations**

We are excited to announce on the 3rd annual Rounds for Recovery Golf Tournament!! We invite you to become a player and/or sponsor of this event that will take place in June this year.

If you are new to this event, let us share a little more about the Recovery Village which is an exciting “PLACE TO HEAL AND RECOVER” from addiction and early rehabilitation. The Recovery Village is currently under development in Berkeley County, WV with an expected opening in early 2025.

The Recovery Village will provide 200+ affordable housing units in a covenant- based neighborhood supporting individuals in early recovery. The neighborhood setting will provide a unique model of housing and services, a “place” that is one-of-a-kind in West Virginia and the nation. Many committed members of our area have come together to support this development, establishing “Semper Liberi Incorporated”, a 501 (C)(3), based on the State’s motto, as a non-profit, to serve residents in the Village by providing transitional resources to those in early and intermediate recovery.

Unfortunately, many individuals leaving treatment clean and sober soon return to circumstances they came from: unemployment, rejoining enabling family and friends, living in poor conditions, perhaps with no housing or transportation. Thus, availability of sustaining housing and recovery resources must be an imperative for most recovering individuals and their families.

The winning team of this year’s tournament will qualify for The Woods Tournament of Champions held at The Woods Golf Course. All funds received will go directly to the non-profit “Semper Li” to assist in furnishings at The Recovery Village.

*Most Sincerely,*
